Code of Ethics

Overview

All employees of Leadership Success must at all times exercise ethical standards of corporate and personal behaviour in the conduct of all duties in the delivery of its services.

Every person has a right to conduct business with Leadership Success in the knowledge that the business is fair and equitable and accessible to all persons and is not influenced by conflicts of interest or unfair or dishonest means.

Leadership Success shall at all times conduct its business in a polite, informative and responsive manner that is indicative of a professional and well-meaning community organisation.

Provision of Education and Training Services

In the provision of education and training services, Leadership Success will:

✓ Adopt policies and management practices which maintain high professional standards in the delivery of education and training services, and which safeguard the interests and welfare of the student

✓ Maintain a learning environment that is conducive to the success of the student

✓ Have the capacity to deliver the courses for which it has been registered, provide adequate facilities and use methods and material Leadership Success appropriate to the learning needs of the student

✓ Ensure that training staff are not only suitably qualified but are also sensitive to the cultural and learning needs of the student

✓ Provide training for its staff as required

✓ Provide flexible learning and assessment procedures to suit the individual needs of the student
